

KRISTEY WILLIAMS

KANSAS HOUSE OF REPRESENTATIVES

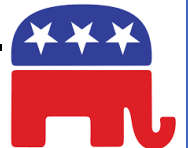

SERVING SINCE 2015 · 77TH DISTRICT · RE-ELECTION CAMPAIGN

2021 LEGISLATIVE SESSION SUCCESSFUL

Coming through the pandemic, we managed to have one of the most productive and successful sessions in my recent memory. Here's a few of our accomplishments: overrode the Governor's Veto on SB 50 to provide tax relief, passed property tax transparency with SB 13, expanded telemedicine and healthcare access in SB 14, created a loan program for economic recovery in SB 15, passed sweeping Department of Labor changes with audits and accountability, passed comprehensive education funding and policy package in HB 2134, strengthened election laws in HB 2183 and 2058, and passed the Value Them Both Constitutional Amendment to be offered to the voters in 2022... just to name a few.

Working on these issues to improve the lives of Kansans has been my focus and passion. If you believe in less regulation and taxation, more quality services, and the protection of core liberties such as upholding our first and second amendment rights -- then I'd ask for your support as I prepare for the next election cycle in 2022.

Dear

Thank you for the opportunity to partner with you to promote policies that benefit our State. I am a pro-commonsense, pro-business, pro-life & liberty, and pro-accountability candidate that has been privileged to serve the 77th District for the past seven years (now in my 4th term).

Please partner with me as we plan for the next election cycle. Uncertain times demand strong leadership and commitment to key priorities.

Thank you for your time and consideration. Your support would be greatly appreciated.
